WENDELL PHILLIPS IN WASH.

INGTON. We print this morning, the speech of Mr. Wendell Phillips, delivered in Washington on Friday evening last. Mr. Phillips never wants readers, any more than he does hearers, and we need not, therefore, call attention to the speech itself. But the fact that it was delivered in Washington, and the incidents attending his visit there, are too noteworthy to be passed over in silence. It is hardly a year since this the United States Senate, in a way never accorded to any but distinguished strangers, the Vice-President bimself leaving the chair to welcome him-it is only about a year that this same person made a public address in the sober city of Boston, on the Lord's day, at the risk of his life. The address then made was in spirit the same as that delivered on Friday Is it without reason? It would be foolish to

MAGOFFIN.

tice of it. Their ellence is a virtual acquittal understand, proposes to leave to God the work of Mr. Cummings on the main point made of Nr. Cummings on the main point made against him in their Report.

Taking of the cap, he found grape, canister and four descriptions of this strug-will on their Report.

The Board of Aldermen last evening receded gle for and against the Union, though our files have to God the work the year—a treaty purporting to guarantee the peace and independence of the Republic, with out of the State henceforth, but must virtually out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Republic, with out of the State henceforth, but must virtually of the spand and independence of the Repu
